INNOVATION

Bedrock Truck Beds symbolize American quality, Texas pride, and the integrity of a small-town legacy. Not a single detail was overlooked in developing truck beds that exceed the expectations of our customers. Bedrock has led innovation in the truck bed industry by inventing simple yet revolutionary solutions such as our patented adjustable headache racks, plug and play wiring adapters, pre-assembled installation kits, and the QUAD bed. After a hard day's work, our customers can tip their hats to the dependability and durability of their Bedrock truck bed.

WHY CHOOSE BEDROCK

Patented Headache Rack

Our patented, adjustable headache rack is designed to perfectly fit all major truck makes, models, and cab styles.

Quality Ensured

We're not just talk—backed with a 3-year, 36,000-mile comprehensive warranty to ensure quality.

Quick Delivery

Tired of long lead times? BEDROCK delivers on average in a third of the time it takes our competitors.

Experience

As a family-owned business that has been in manufacturing for over 100 years we specialize in up-fitting trucks with the best.

Powder Coat

Our beds are shot blasted to raw, white metal before powder coating for maximum adhesion and longevity.

Muscle

With a gooseneck hitch rated at 30,000lbs, a turnover ball rated at 30,000lbs, and a receiver hitch rated at 18,000lbs, our truck beds are built for heavy work.

INNOVATING THE INDUSTRY

QUAD

BY BEDROCK TRUCK BEDS

QUALITY BUILT

UNCOMPROMISED STRENGTH

AMERICAN MADE

DIRECT TO YOU

PROBLEM

Historically, the truck bed industry has experienced logistical challenges with having the right bed for customers in a timely manner. This has created additional cost and long lead times.

SOLUTION

The QUAD Truck Bed is comprised of four main components that are palletized and shipped as a single unit and can be bolted together in less than an hour without compromising strength.

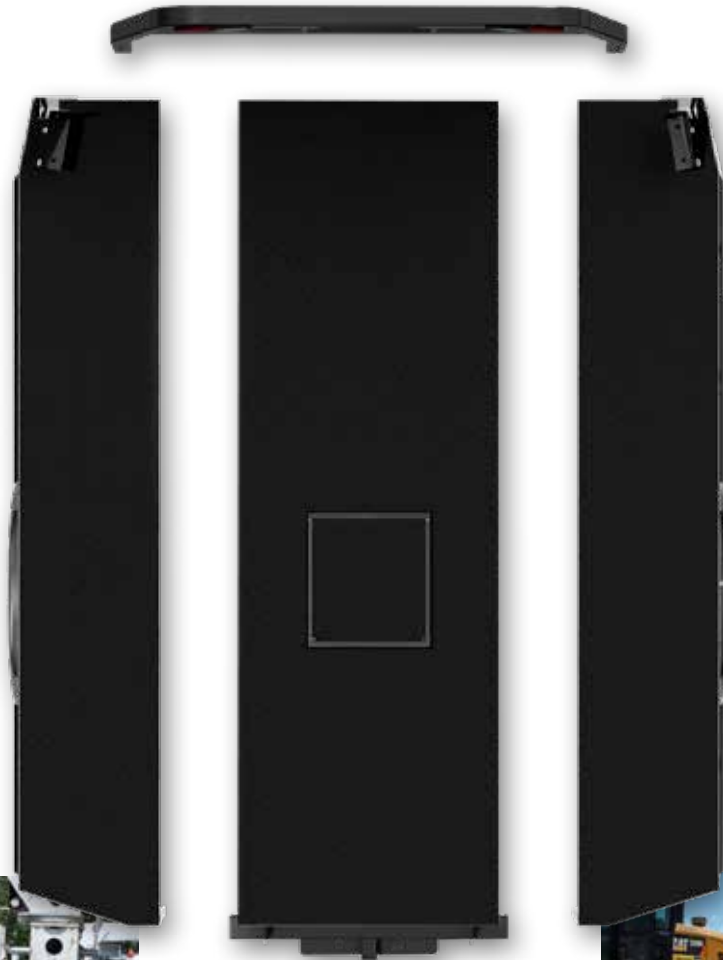

QUAD

ORDER ONE AT A TIME

The QUAD is comprised of 4 main components that fit the shipping requirements on a single pallet. Order a single truck bed at a time with ease.

PATENTED DESIGN

An engineered and certified bolt system attaches the 4 main truck bed components: the headache rack, 2 bed wings, and center of the bed.

AVAILABLE IN TWO BODY STYLES

AMERICAN MADE

All of our truckbeds are fully manufacturing in Texas and are fabricated using steel you can put to work and depend on.

STRENGTH

We didn't change the integrity of the build. QUAD has all of the same features that are standard to the BEDROCK truck bed product line.

QUAD DIAMOND SERIES

QUAD GRANITE SERIES
